APRIL 2008 NEWSLETTER

Spring has finally arrived! We are looking forward to warmer weather and the colors of spring.

Thank you to everyone in the three day class who participated in the MDA Hop-A-Thon.

It was a great learning event for the children and we were able to raise over \$800.00 to help combat Muscular Dystrophy!!!!

Please take a moment to fill out the parent surveys that have been placed in your child's cubbies. They should be returned by the week of April 7th. There will be a labeled box under the parent bulletin board outside your child's classroom. We really appreciate hearing your opinions, concerns and any suggestions.

Spring vacation takes place April 21st through April 25th. There will be NO SCHOOL this week.

There are still a few openings left in the two day class for the 2008-2009 school year.

Thank you,
The Jack & Jill Staff
