THANK YOU NOTES

Dorothy Picket held a **fund raising
 tea** at her apartment at Brooksby Village
 on April 22nd. She raised \$240 for the
 church budget deficit.

The following is a note from
 Dorothy:

Dear Friends, Thank you to the
 six ladies who baked dessert for my tea.
 The goodies were a big part of my tea's
 success. Also, I wish to thank my
 Brooksby friends who supported this fund
 raiser. Although they are not part of our
 church community they lent their support.
 Thank you, Dorothy Pickett

Dear Friends at Holy Trinity:

We have received your donation of
 health kits to UMCOR (United Methodist
 Committee on Relief) Sager Brown.

 such as this help us perform the mission
 that we have been called to fulfill.

UMCOR is the humanitarian relief
 and development agency of the United
 Methodist Church, a worldwide
 denomination. UMCOR's mission is to
 alleviate human suffering. Compelled by
 Christ, UMCOR has responded to national
 or human made disasters for 70 years.

Thank you again for your support.
Please extend our appreciation to all who
 were involved with this gift.

Grace and Peace, Kathy Kraiza

CONFIRMATION CLASS 2010

They have written their own creed stating what they believe as Christian young people. They have learned about issues of social justice, prayer, and Christian decision-making. It was a privilege to present these young adults for Confirmation. Special thanks to their families and mentors and to all in the congregation who have guided them to this significant moment in their Christian journey.

BIOGRAPHIES OF OUR 2010 CONFIRMANDS

Derek Bean will be an 8th grader at Holten Richmond Middle School this fall. During confirmation, he learned about the two Sacraments. Derek's mentor was Brenda Ferris. They went miniature golfing together where Derek won! One thing that Derek likes about Holy Trinity is that no one is judged and he would not want to change anything about the church. He plans to fulfill his vow to support Holy Trinity by praying, attending with a smile, bringing an offering and playing instruments.

Donald Bean will attend Holten Richmond Middle School as an 8th grader in the fall. He learned more about the church's part in the community and in his life during confirmation classes. His mentor was Tom Landry. They went out to eat and miniature golfing. Don likes the freedom of personality at Holy Trinity and doesn't wish to change anything about the church. He plans to fulfill his vow to support Holy Trinity by showing up for church every Sunday possible.

Douglas Bean will also be in the 8th grade at Holten Richmond Middle School this fall. Doug learned about the story of Mary and Martha during confirmation class. Doug's mentor is his grandmother, Gail Bean. Gail and Doug learned about the church's stained glass window and what it means. He likes that Holy Trinity accepts all people and thinks that the church is good the way it is. He plans to fulfill his vow to support Holy Trinity by bringing his pledge each week.

Andie Clarizia will be a Danvers High freshman this fall. During confirmation classes, she learned that God is like a father and will always be there for her. Sue Stentiford was Andie's mentor and together they painted pottery at a place in Beverly. She likes how Holy Trinity is involved in a lot of things that help people out. Andie doesn't think she would change anything about her church. As her part to support Holy Trinity, Andie plans to volunteer to greet and welcome people.

Courtney Clark will be in the ninth grade at Danvers High this fall. She learned that her church will always be here for her. Her mother, Andrea Clark, was her mentor. They learn together when they attend church. Courtney enjoys the fact that Holy Trinity is accepting of everyone. She feels that overall, it is a good church and she wouldn't change anything. Courtney will support Holy Trinity by attending church as often as she can.

Jenna Crosbie will be a freshman at Hamilton-Wenham Regional High this fall. She learned that Baptism and Communion are the two sacraments that we do. We do them because Jesus did them and taught us to do them. Jenna's mentor was Jen Skane. Jen and Jenna made a collage about Jenna and the type of person she is. She likes that Holy Trinity is an inclusive church community that makes everyone feel like family. She would like to make sure that the church has up to date smoke alarms. To fulfill her vow to support her church, she will continue to be in the bell choir and join the senior choir.

Nicholas Loeper will attend Hamilton-Wenham Regional High School as a freshman this fall. During confirmation class, Nick learned how important church is and to trust in God. Dick Wallace was Nick's mentor. They went out to eat several times and watched donuts being made. Nick likes that Holy Trinity is very welcoming and laid back. However, he wishes we had more food after church. To fulfill his vow to support Holy Trinity, he plans to give an offering each week.

Eric Ramsdell will be in the 8th grade at Holten Richmond Middle School. He learned about the Bible in confirmation classes. Eric's mentor was Bob Parks and they went out to eat together at Friendly's. Eric likes how everyone at Holy Trinity supports each other. He doesn't wish to change anything. Eric will bring an offering to church each week to fulfill his vow to support his church.

Aminat Sillah will attend Breed Middle School as an eighth grader this fall. She learned that churches are accepting of people no matter what they have been through. Ami's mentor was Holly Landry. Holly and Ami went out to eat and talked about their learning experiences. Ami likes how well everyone gets along at Holy Trinity, however, she would like to see more people of different races join the church. She will support Holy Trinity by attending church as often as she can.

Evan Stentiford will be an eighth grader at Masconomet Middle School this fall. Evan learned how the United Methodist Church started and how to be a Christian. His mentor was Eric Clarizia. Together, Eric and Evan mulched the bell tower landscape. He likes the people and the bell tower at Holy Trinity but would like to make the pews softer. Evan will support Holy Trinity by using his gift of ringing the bells in bell choir.

Jennifer Tilton will attend Whittier Regional Vocational Technical High School as a freshman this fall. In confirmation class, Jen learned that there are two sacraments in the Methodist church – baptism and communion. Jen's mentor was Joelle Clarizia and together they made a scrapbook for Jen's mother. She really enjoys how friendly and welcoming the people are in her church and thinks the Christian Ed teachers are great. Jen would make the holiday services shorter or else let the kids go to Sunday school. To fulfill her vow to support her church, Jen pledges to give an offering every week.

CONGRATULATIONS TO Anh Dao Tran-Moseman who received the Distinguished Alumnus Award from North Shore Community College at Salem College on May 27. Anh Dao was one of the 9 Vietnamese Refugees in the Tran family that Holy Trinity sponsored in 1985 from a Refugee camp in Indonesia. Summer Sunday Program:

This summer we will be making some changes to our summer Sunday program. We will offer nursery care throughout the summer for our little ones. Summer Sunday will begin on July 11, 2010 and go through August 15, 2010. Children pre-school-5th grade are welcome to participate in our one room Sunday school. We will be using the one room Sunday school curriculum. The class will be taught by Lisa Smith.

Vacation Bible School:

CAN'T WAIT FOR VBS!! Vacation Bible School week will be July 26-July 30th. Rockin' in the swamp, having fun, making new friends and learning more about God's love is what this year's 'Crocodile Dock' VBS theme is all about. We all learn best through our experiences, so VBS is set up for the children and youth to be doing Bible study, music, drama, crafts, games, and snacks.

Their experience in each activity is related to the theme for the day, which truly helps them remember and own that experience.

The themes for each day include:

1. "God is everywhere"
2. "God is faithful"
3. "God gives new life"
4. "God is with us"
5. "God is Love"

June 6th: We will have our first work night (decorating) from 5:30 to 7:30 PM. If you know of anybody handy at building sets or set design -- we would love to have the help. This work night will be pretty boring for young children but older kids who want to help are more than welcome to join. We need some builders or anyone handy building set design or painting.

Bayou Set Up Day- July 25, 2010:

Set up Day will start immediately following the church service. We will have pizza and put our staff and decorating crew to work transforming Holy Trinity into the SWAMP. Anyone interested in helping, please join us. Calling all church members if you have any fishing gear, moss, crocodiles, other swamp decorations or creatures hanging around you can let us borrow for decorations, please bring down to church and leave in the 3rd cubbie.

CHRISTIAN EDUCATION
CONTINUED

Senior Youth Group:

The senior youth group will meet June 6, 2010 to help create decorations for crocodile dock from 5:30-7:30 PM. Plan on having dinner here.

Junior Youth Group:

We will meet one more time over the summer at Jenn Skane's house for a pool party. Date to be announced.

HELP??!! We need a teacher(s) for the 3rd and 4th grade class. This group is old enough to have teachers take turns so I am open to any arrangement. I will supply the curriculum and train anyone who is interested. I can even stay with you for a few weeks. In the past the rest of the other classes have suffered if I am teaching for a full year.

If you can commit to 1, 2, 3, or 4 x a month, a quarter September-December, January-March, April-June or co-teaching with someone? Please let me know how you can be a blessing to our children.

CONGRATULATIONS TO
